The Amico Titan OB/GYN Stretcher is designed with functionality and convenience in mind, allowing caregivers to provide a more meaningful level of care to patients.

This product offers key features such as a one hand operated lowering leg section, a deep well storage area for patient belongings and an ergonomic design to help improve efficiency of healthcare. To accommodate obstetrics patients with limited mobility, the Titan OB/GYN Stretcher is built on Amico's best-in-class, low height stretcher platform.

The Titan OB/GYN Stretcher can also serve as an interim transport stretcher for moving patients between departments.
