Emily Care Series III Non-Powered Mattress for Moderate to High Risk Patients

Key Features & Benefits:

- Multi-layered and zoned polyurethane foam construction improves pressure distribution
- High density foam offers full body support
- Gel infused Visco elastic memory foam topper design to redistribute pressure
- Topper is ventilated to improve air circulation and reduce heat build up

- 4-way stretch cover is fluid resistant, fire retardant, antifungal and passes antimicrobial test AATCC 30-2004
- Fire barrier sock passes 16 CFR Part 1633
- High density rails increase edge support and provides a stable perimeter
- Flex points enable smooth gatching of sleep surface while in various Fowler positions
