

Stretcher Pads

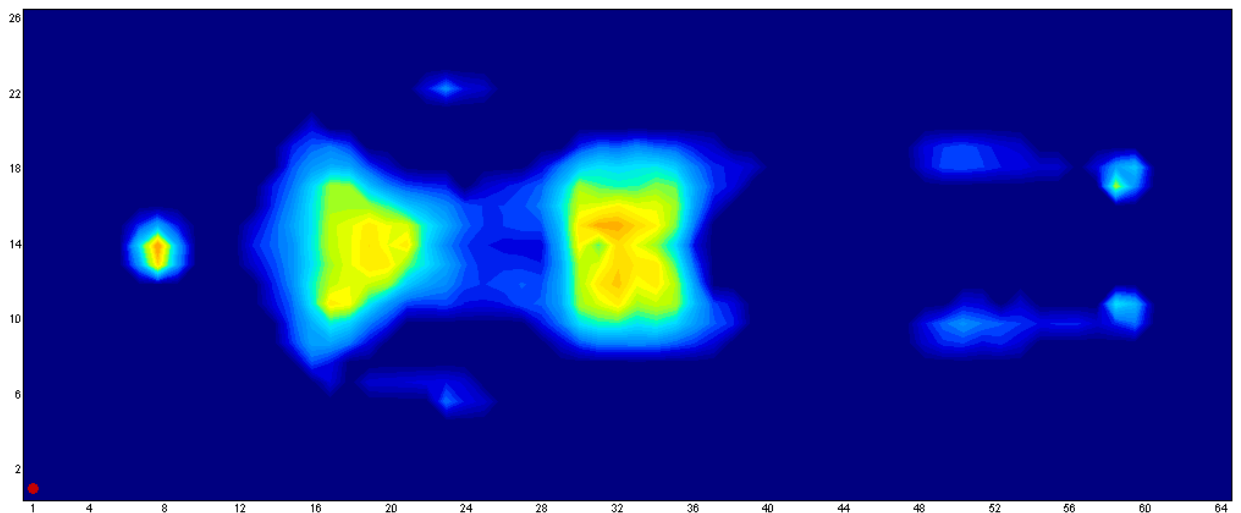

Non-Powered **Therapeutic Stretcher Pad**

Key Features:

- High density foam with superior envelopment provides comfort to the patient
- Vapour permeable, fluid-proof, and easy-to-clean cover
- 2-way stretch cover minimizes the risk of shear and friction (available with a 4-way stretch cover upon request)
- Anti-skid strips prevent shifting of the mattress when it is placed on the stretcher frame
- Lightweight design allows for easy caregiver functionality
