

Disposable Nasal Speculum

Bionix® Disposable Nasal Speculum helps healthcare providers improve nasal airway field of view with single patient use, lightweight speculum.

PROBLEM

Steel speculums seem to be lost, misplaced, or out to be sterilized when needed. They are also cold and rigid, causing discomfort to patients.

SOLUTION

Bionix Disposable Nasal Speculum provides the same great view of the nasal cavity, while also having smooth, warm tips that are less alarming to the patients, and provide a comfortable squeeze grip for the health care provider.

RESULTS

Bionix Disposable Nasal Speculum provides direct visualization and is a user-friendly, single use alternative to conventional metal nasal specula.
