- Kemp USA Team

Dear Customer,

Kemp USA is recognized in the EMS, Lifeguard, and Swimming industry for our exceptional customer service and high quality safety products. Our company began manufacturing 14 years ago, catering to dealers and distributors. Over that short time, guided improvements on our superior products have evolved and expanded the Kemp USA brand - thanks to you, our customer. By responding to your changing wants and needs, we've been able to offer only the best products that really work for you. The team here at Kemp USA is committed to our dealers and distributors, always striving to go above and beyond industry standards and expectations. At Kemp USA, we are always looking for ways to streamline order processing, fulfillment, and efficient shipping methods. We are EDI compliant and have deep discounted shipping rates with our carriers. We can also dropship your orders directly to your customer. Be sure to check our website for further detailed information about new product releases at www.KempUSA.com.

EMERGENCY BLANKET

The emergency blanket has a soft inner-tissue lining, great for body warmth maintenance, and a water-resistant shell for protection during emergencies. It can also double as a shelter, poncho/raincoat, snowmobile accessory, S.O.S.beacon or flag. Travel friendly, compact, and lightweight.

Item # 10-602	Color: Yellow	Dimensions: 60" x 72"
Shipping: 9.25" x 3"	Weight: 1 lb	

Pictured: 80% Wool

KEMP USA WOOL BLANKET

The Kemp USA wool blanket is a great multipurpose blanket. As a few examples, this blanket has been spotted in action for disaster relief, humanitarian aid, in hospitals, for military use, as hotel standbys, and donation blankets.

Weight: 30% - 3 lbs, 50% - 4 lbs, 80% - 5 lbs		

Most Popular!

KEMP USA GRAY RELIEF BLANKET

The Kemp USA relief blanket is a great multipurpose blanket. Made of 100% synthetic fibers (cotton, acrylic and polyester). For Emergency Disasters Preparedness: EMS Professional - Ambulance Supply - Earthquakes - Hurricanes - Floods - Tornadoes - Blizzards - Emergency Medical. A great blanket at a great price.

Item # 10-600	Color: Gray	Dimensions: 60" x 84"
Shipping: 13" x 18" x 13"	Weight: 3 lbs	

KEMP USA MYLAR BLANKET

The Kemp USA foil blanket is a lightweight multipurpose first aid blanket for body warmth maintenance, emergency shelter, protection from weather, or reflective distress signal. The aluminized, non-stretch polyester reflects body heat back to the user and stays flexible in freezing temperatures. It's extremely lightweight and compact, and fits easily into first aid kits, hip packs, pockets, bags, and glove compartments. It's windproof and waterproof and will not rot or mildew. High volume quantities available.

Item # 10-601	Color: Silver Foil	Dimensions: 60" x 72"
Shipping: 9.25" x 7" x 3"	Weight: 1 lb	

KEMP USA FLEECE BLANKET

The Kemp USA fleece blanket is 100% polyester; features trim with matching whipstitch, and is machine washable and dryable. Makes a great gift.

Item # 10-608	Color: Maroon, Navy Blue	Dimensions: 60" x 84"
Shipping: 17.5" x 6.5" x 11.5"	Weight: 3 lbs	

CPR

Kemp USA has a great variety of CPR equipment for training and the frontlines. We carry high quality products that are proven to save lives, such as CPR Masks, Manikins, Training Valves, and more. Check out our First Aid section as well on page 23-27. Our stock supplies are readily available to be shipped.

RAPID SEAL RESUSCITATION MASK

This mask is a must for in-water resuscitation. Comes pre-inflated and delivers a perfect seal with the patient every time. Made of a durable high-density plastic and has a comfortable grip. This mask is good for adults or children and is FDA registered.

Item # 10-527	Color: Clear	Dimensions: 7" x 4.5" x 4.5"
Shipping: 10" x 7" x 3"	Weight: 1 lb	

KEMP USA HEPA FILTER FOR CPR

The Kemp USA HEPA filter can be used on any of our CPR masks or BVMs. It adds an extra layer of protection against the spread of viruses. This filter has bi-directional airflow and is disposable for single patient use only.

Item # 10-543	Color: Blue	Dimensions: 3.5" x 3" x 2"
Shipping: 9" x 6" x 4"	Weight: 0.1 lbs	

KEMP USA CPR BOARD

The Kemp USA CPR Board is ideal for CPR training and CPR administration by providing a firm surface that helps to properly position a patient. It also helps to ensure a constant open airway. The head cup maintains proper alignment of a patient's head, while the contoured sides make lifting the patient easier.

Item # 10-518	Color: Orange	Dimensions: 23.75" x 16.25" x 2.75"
Shipping: 17" x 24" x 3"	Weight: 3.3 lbs	Case Qty: 6

AMBU BAG VALVE MASKS (BVM)

The AMBU line of BVMs is the only resuscitator that is made from a SEBS material instead of PVC. The AMBU BVM provides users with exceptional tactile and visual feedback during resuscitation. The bag is highly responsive, with minimal mechanical resistance-some even says it's a natural extension of the hand. The convenient handle makes it easier to hold the unit and to ventilate a patient with just one hand, if necessary. The characteristic design provides optimum stroke volume with perfect recoil, yet is smaller and lighter than most other disposable units. We also have the HEPA filter option.

Adult Item # 10-507		
HEPA Adult Item # 10-507-HEPA		
Infant Item # 10-508		
Pediatric Item # 10-509		
Color: Clear	Dimensions: 24" x 17" x 3"	
Shipping: 12.5" x 12.5" x 8.25"	Weight: 2 lb	

KEMP USA ROYAL BLUE TRAINING VALVE

Single use training valves are an economical alternative to replacement valves when teaching with rescue masks. This valve fits adult, child, and infant rescue masks and has a unique filter to mimic the breath needed to give mouth to mouth. Valves are individually wrapped and sold in packs of 10. For training use only.

Item # 10-528-ROY			
Dimensions: 4.25" x 2.75" x 4.25" (Pack of 10)			
Shipping: 9" x 7.5"	Weight: 0.50 lb	Sold in packs of 10 units.	

ONE WAY VALVE & FILTER FOR CPR MASKS

This is the replacement valve for the Kemp USA 10-501 CPR mask. This also works with the Ambu masks as well. Includes a filter and is intended for single use.

Item # 10-510	Color: Clear
Shipping: 10" x 7" x 3"	Weight: 1 lbs

CPR PROMPT 7-PACK MANIKINS

These professional training manikins are designed to teach CPR and lifesaving skills. These manikins make it affordable for instructors to provide a one-student-to-one-manikin ratio; the equivalent of 10,000 student usages. Its soft foam-based construction makes the manikin extremely lightweight. The 7-pack kit includes 5 adult and 2 infant manikins, 150 lungs bags, and carrying case.

7-Pack Manikins Item # 10-519	
Replacement Lung Bags Item # 10-520 (Adult) #10-521 (Infant)	
Dimensions: 28.5" x 13.5" x 9.5" (Manikins)	
Shipping: 29" x 16" x 20"	Weight: 33 lbs

KEMP USA COMPETITION MANIKIN

The Kemp USA Competition manikin is the only manikin made in North America that complies with (ILS) International Lifesaving Federations specifications. This also is one of just five manikins in the world approved for use in ILS sanctioned competitions. No other manikin in North America is approved. This manikin features non-fade, non-chip paint. Spin welded one size fittings prevent water leakage. Secured non-removable weight to eliminate risk of loss. New location of middle plug allows you to fill and drain manikin to the precise location. No more guessing, shaking or time delays in event setups.

Item # 10-297	Color: Orange	Dimensions: 18.5" x 9" x 40.25"
Shipping: 19" x 9" x 41"	Weight: 17 lbs	

KEMP USA TRAINING MANIKIN

The Kemp USA Training Manikin is an easy to fill and drain lifesaving rescue training manikin. It's ideal for lifesaving courses, lifeguard training, employer screenings and lifesaving sport athletes. This manikin is open at the bottom and fills with water easily and submerges to simulate an unconscious victim. It's virtually indestructible, light weight and portable.

Item # 10-298	Color: Orange	Dimensions: 18.5" x 9" x 40.25"
Shipping: 19" x 9" x 41"	Weight: 17 lbs	

KEMP USA CPR MASK WITH O2 INLET

The Kemp USA CPR Mask is packaged in a compact, hard shell, pocket-sized carrying case and features a one-way valve with filter. It has a contoured soft vinyl cuff that shapes easily to adult, child, and infant facial contours, preventing mouth-to-mouth contact with the victim. Its transparent dome allows the rescuer to check the victim's mouth for lip color and secretions. The mask is ready to use with no need to assemble valve and filter. We can private label them with customer's logo for an extra fee. Please call for private label pricing.

Hard Case Item # 10-501

Soft Case Pouch Item # 10-514

Color: White or Red **Dimensions:** 6" x 4.5" x 1.75"

Shipping: 10" x 7" x 3" **Weight:** .25 lb **Case Qty:** 100

AMBU CPR MASK WITH OR WITHOUT O2 INLET

The AMBU CPR Mask features an optional patented one-way valve with filter. This mask prevents mouth-to-mouth contact with the victim's face. Its transparent dome allows the rescuer to check the victim's mouth for lip color and secretions. The mask is ready to use with no need to assemble valve and filter, which saves valuable time in emergencies.

With O2 Inlet Hard Case Item # 10-502

With O2 Inlet Soft Case Pouch Item# 10-517

Color: Red **Dimensions:** 6" x 4.5" x 1.75"

Shipping: 10" x 7" x 3" **Weight:** .25 lb **Case Qty:** 80

AMBU CPR MASK COMBO ADULT & CHILD

This AMBU mask comes in a soft pouch with the child adapter which is proper for giving CPR to small faces. It also includes an O2 inlet.

LARGE PROFESSIONAL TRAUMA BAG

The Kemp USA Premium Professional Trauma Bag has been adapted from the best selling, standard professional trauma bag for those seeking an ultra durable bag that will stand up to heavy use. Made with 1680 Denier Nylon, Kemp USA's Premium line of EMS bags are extremely durable and water resistant. High stress points have been cross stitched and bar tacked to increase strength when the bag is fully loaded. High visibility, reflective pull tabs give the rescuer easy access to the compartments, even at night. The tuck away backpack harness allows for multiple carrying options and a gel foam padded shoulder strap for increased comfort. In addition to the standard features, this premium bag features a pull out kneeling pad for the rescuer to use while working on a patient as well as a replaceable bottom. Other features include: Metal black nickel hardware all around. Front pocket with elastic loops and pouches. External, easy-access top pocket, two external side pockets. Internal compartment with removable dividers and zippered see-through pouch. Available in Navy or Red. Washable tarpaulin material also available.

RESCUE & TACTICAL BACKPACK

As a part of Kemp USA's Premium line of EMS and Trauma bags, the Rescue and Tactical Backpack is constructed with extremely durable 1680 Denier Nylon, is cross stitched and bar tacked in high wear areas, and has heavy duty, oversized hardware. The main compartment opens completely from top to bottom for easy access to the numerous removable pouches, while MOLLE webbing placed on both the inside and outside can accommodate additional pouches or gear. Two large zippered compartments on the outside of the bag are useful for quick access items. The backpack style shoulder straps are ideal for carrying large amounts of first aid supplies over longer distances. Mesh padded shoulder straps & back area as well as a side and front compression strap system make this bag very comfortable and easy to carry. Additionally, the hip belt helps to distribute weight evenly. The bag has red removable pouches in varying sizes.

Supply Packs available for this bag.

FIREFIGHTER GEAR BAG

The Kemp USA Firefighter Gear Bag is an over-sized bag designed specifically to hold all of the gear and equipment that a firefighter needs. The Firefighter Gear Bag is made of durable water-resistant nylon for durability and features highly visible reflective trim. The large main compartment is large enough to fit all of your turnout gear, with two large exterior zippered pockets and three exterior pouches to hold additional items such as extra clothes, radios, flashlights, etc. A removable, adjustable carry strap is included for more carrying options. Maltese Cross logo on the front.

Item # 10-123-Red

Medical Supply Packs

Medical Supply Packs are made for Emergency Personnel Bags. They include essential medical supplies and equipment for emergency situations. They can be purchased with a Kemp USA EMS bag or as a separate supply pack. Supply Pack contents vary in quantities or specific first aid instruments and each supply pack has a recommended EMS Bag. See itemized lists on pages 19-22.

Patient Immobilization

Kemp USA has an extensive selection of Patient Immobilization items. We carry immobilizers, spineboards, stretchers, straps, extrication devices, and more. The best part is that we have the best inventory supply on hand in the industry, ready to ship.

KEMP USA HEAD IMMOBILIZER

This Head Immobilizer is easy to use and is compatible with all spineboards on the market, except for EG and TG boards. Our immobilizers feature side blocks with wide fast-stick closures for a snug fit and up to 50% more support surface. The Kemp USA Head Immobilizer has two large circular ear holes to monitor bleeding and fluid drainage. It also comes with 2 head/chin straps and a base plate that adheres easily to the board. The Kemp USA Head Immobilizer has no metal components and can be used during x-rays, MRI and CT scan procedures. It's waterproof and buoyant, so it works great for water rescues. Can easily be cleaned and disinfected for reuse. When purchasing head immobilizers, keep in mind all that head immobilizers are not equal. Constructed of only the highest grade of foam and a unique dipping process, these immobilizers are made to last. Can be made with your logo or in custom colors. Call for minimums and pricing.

PEDIATRIC HEAD IMMOBILIZER

Kemp USA pediatric head immobilizer fits most pediatric spineboards. It comes with two reusable straps for the head and chin to hold the head securely and attaches conveniently to spineboards with hook and loop strapping. Specifically designed with children in mind. Firm support and easy to clean surface. X-Ray translucent and MRI/CT scanning safe.

Complete Set Item # 10-008-ROY			
Head Blocks Only (Pair) Item# 10-006			
Color: Blue	Dimensions: 7" x 10" x 14.75"		
Shipping: 6" x 12" x 17"	Weight: 3 lbs		

SCOOP STRETCHER HEAD IMMOBILIZER

The Kemp USA Scoop Stretcher Head Immobilizer is designed for immobilization on scoop stretchers only. This item is a must-have and compatible with all scoop stretchers. Not to be used with the Kemp USA Spineboard, item # 10-993.

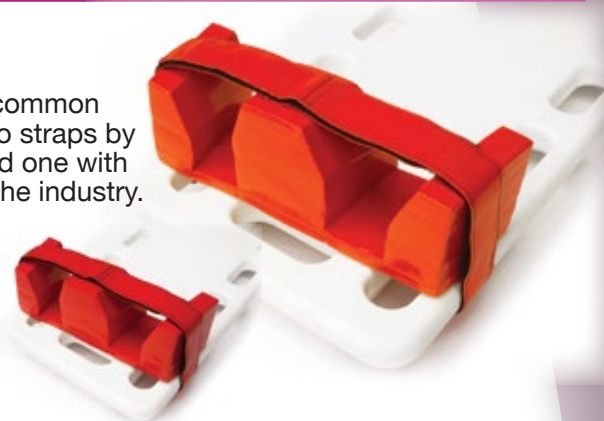

Item # 10-010-ORG			
Color: Orange	Dimensions: 16" x 10" x 7"		
Shipping: 18" x 12" x 6"	Weight: 3 lbs		

KEMP USA LEG IMMOBILIZER

This piece of equipment is essential for all spineboards and does what common straps cannot. This immobilizer secures the legs with superior comfort to straps by providing padding between the legs and the spineboard. We recommend one with each board purchase. This item is compatible with almost all boards in the industry. Straps sold separately.

Orange	Item # 10-012-ORG		
Red	Item# 10-012-RED

Shipping: 18" x 12" x 6"		Weight: 2 lbs	

KEMP USA BLOCKS FOR EG AQUATIC BOARD (PAIR)

These head blocks are preferred to other blocks in the industry, extremely durable and will not damage if the board is dropped. Just one pair of blocks will last numerous seasons without needing to be replaced. They are compatible with the Aquatic EG Spine Board (Item # 10-982) or the Wood TG Spine Board (Item # 10-981) and are sold in pairs with the chin strap included.

Item # 10-992			
Color: Black	Dimensions: 6.5" x 6" x 6"		
Shipping: 12" x 8.25" x 8.5"	Weight: 3 lbs		

Kemp USA Aquatic Board
Item# 10-982
See pg. 30

KEMP USA WOOD TG SPINEBOARD

Kemp USA TG Spineboard is a wooden spine board used by many aquatic facilities. This board is used for extrications or spinal immobilizations and is a standard piece of equipment lifeguards count on. This backboard is made of marine grade okoume plywood with capped hard wood runners and polyurethane bumpers for added protection against wear and tear. Four nylon hook and loop body straps ensure that the victim's body is secured safely and two padded head blocks with hook and loop straps secure the head ensuring patient stabilization.

Item # 10-981		
Color: Wood	Dimensions: 78" x 20" x 3"	
Shipping: 80" x 20" x 4"	Weight: 30 lbs	

Equipped with head block system.
Item listed on bottom of pg. 29

AQUATIC EG PLASTIC SPINEBOARD KIT

The Kemp USA Aquatic EG Plastic Spineboard comes complete with easy to use hook & loop straps and an extremely durable head block system (Item # 10-992). Buoyancy is customizable by adjusting the polyethylene rods in the back of the spineboard. No metal parts makes the spineboard X-ray translucent.

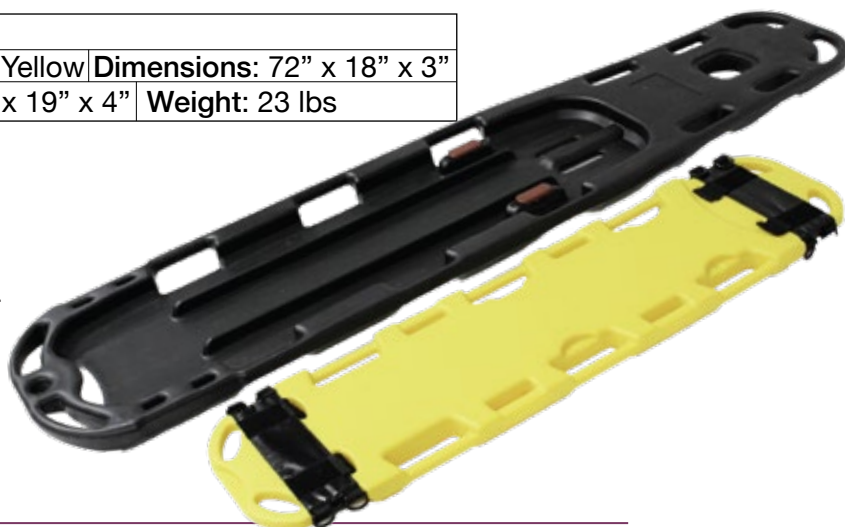

Item # 10-982		
Color: Orange	Dimensions: 79" x 20" x 1.5"	
Shipping: 79" x 20" x 2.5"	Weight: 26 lbs	

ADULT / CHILD SPINEBOARD COMBO

Made of durable polyethylene, this adult/child spineboard combo is a great space saver and decreases stock volume. It is X-ray compatible and its hand grips on all sides makes patient transport easy. Compatible with most head immobilization devices and strap mechanisms. Load capacity: 380 lbs.

Item # 10-984		
Color: Black / Yellow	Dimensions: 72" x 18" x 3"	
Shipping: 73" x 19" x 4"	Weight: 23 lbs	

10-984

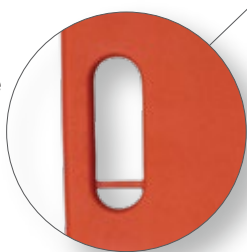

10-982

KEMP USA ADULT 18" SPINEBOARD

The Kemp USA AB Spineboard is an economical yet extremely solid board. Constructed of durable polyethylene and filled with high density foam, it is great for water rescue and has excellent buoyancy. The shell of the board is heavy duty, x-ray translucent and waterproof. This board has 21 handholds and 8 pins for your strapping needs. The weight capacity of this board is 700lbs. Large volume, pallet quantities are available to ship.

10-993-WHI

KEMP USA FOLDING SPINEBOARD

This space-saving Kemp USA Folding Spineboard is ideal for search and rescue. It does not reflect extreme temperatures therefore, the patient is always comfortable. Made of durable high-density polyethylene. Easy to clean and disinfect.

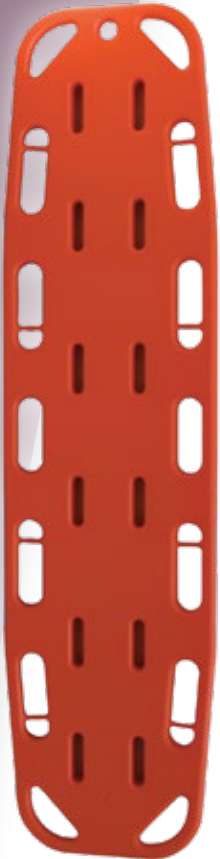

Item # 10-995-ORG			
Color: Orange	Dimensions: 72" x 19.5" x 1.5"		
Shipping: 6.5" x 22" x 39"	Weight: 20 lbs		

KEMP USA PEDIATRIC SPINEBOARD

The Kemp USA Pediatric spine board is 100% X-Ray Translucent. This pediatric spine board is sized specifically for safe, effective transport of children. This item is ideal for youth camps and schools.

Item # 10-996-ORG			
Color: Orange	Dimensions: 43.5" x 14.75" x 2.5"		
Shipping: 54" x 15" x 3"	Weight: 11 lbs		

10-996-ORG

KEMP USA FOLDING POLE STRETCHER

Kemp USA orange folding pole stretcher is a lightweight, more compact alternative to a traditional stretcher. This fold-able stretcher is a versatile option in a wide range of emergency situations. Frequently used for fast and safe patient removal and transport in hospitals, sports fields, gymnasiums, ambulance, and battlefields. Can be folded together both lengthwise and crosswise to fit into minimum storage space. Weight capacity is 350 lbs.

Item # 10-991-ORG			
Color: Orange	Dimensions: 85" x 21" x 6"		
Shipping: 42" x 8" x 4"	Weight: 12 lbs		

10-991-ORG

KEMP USA CHAIR STRETCHER

Designed to efficiently transfer patients through cramped areas and on stairs. Complete with three quick-release restraints along with front and rear handles to safely secure and lift the patient, making transport simple and easy. The seat is made of a soft, easy to clean vinyl. Equipped with a wide belt, this chair stretcher can also be easily folded for storage or quickly unfolded for emergency use. Holds up to 350 lbs.

Item # 10-990-ORG	
Color: Orange	Dimensions: 36" x 36" x 20"
Shipping: 39" x 22" x 6.5"	Weight: 23 lbs

10-990-ORG

ALUMINUM METAL SCOOP STRETCHER

This Kemp USA Aluminum Metal Scoop Stretcher is used specifically for moving injured people. Design decreases movement to the cervical spine and reduces the risk of additional injuries. Length of the scoop stretcher can be adjusted to the patient's height. Includes patient restraints. Weight capacity is 350 lbs.

Item # 10-989	
Color: Aluminum	Dimensions: 72" 18" x 2.5"
Shipping: 65" x 19" x 3"	Weight: 20 lbs

10-989

KEMP USA YELLOW SCOOP STRETCHER

This Kemp USA Scoop Stretcher is a heavy duty, durable plastic scoop stretcher used specifically for moving injured people. It is most commonly used to lift victims who may have a potential spinal cord injury from the ground, or in order to reduce the chance of undesirable movement of injured areas during the transfer of a patient. Has a structure that separates into two vertical parts that go on either side of the victim. The two parts can then be brought together underneath the patient and then secured using the clips at the top and bottom of the device. Includes patient restraints. Weight capacity is 350 lbs.

Item # 10-988-YEL	
Color: Yellow	Dimensions: 72" 18" x 2.5"
Shipping: 65" x 19" x 3"	Weight: 24 lbs

10-988-YEL

CAMP MILITARY FOLDING COT WITH CARRYING CASE

The Kemp USA Aluminum Military Folding Cot has an aluminum frame to reduce rust and has X-leg assembly to strengthen the cot and provide stability. Solid structure, good hardness and comfortable use. Space-saving and easy to use. Maximum weight is 250 lbs.

Item # 10-983

Color: Green Dimensions: 18" x 74" x 25"

Shipping: 41" x 7" x 9" Weight: 14 lbs

PREMIUM PATIENT CARRY SHEET WITH CARRYING CASE

The Kemp USA Patient Carry Sheet is vital in the evacuation of non-ambulant patients from hazardous situations. It allows the patient to be transferred on and off stretchers and is capable of carrying a large person by evenly distributing weight. A great tool for use in confined spaces. Constructed of durable nylon and has a weight capacity of 600 lbs.

Item # 10-986-BLK

Color: Black Dimensions: 72" x 38"

Shipping: 6" x 12" x 18" Weight: 6 lbs

KEMP USA EXTRICATION DEVICE WITH CARRYING CASE

The Kemp USA extrication device is equipped with two head straps, three torso straps, and two legs straps which accurately and sufficiently secure the victim to the device. This extrication device uses bamboo bars in a nylon jacket, allowing the responders to immobilize the neck and upper spine and safely remove the victim from the vehicle or other confined space. This device does not interfere with anti-shock treatment. If used with proper padding, the device can also successfully immobilize an infant or child. Straps are color coded for ease of use. Set includes wrap-around vest, adjusta-pad neck roll, 2 head straps & carrying case.

Item # 10-987

Color: Green Dimensions: 34" x 32.5" x 2.5"

Shipping: 24" x 19" x 7" Weight: 8 lbs

ONE PIECE SPINEBOARD STRAP

The Kemp USA one piece spineboard strap is our economical strap. Made of high quality nylon with extremely durable plastic clips. It is used for fast, firm immobilization on all types of spineboards. Can be purchased individually.

Item # 10-301-BLK	
Color: Black	Dimensions: 72" x 2"
Shipping: 9" x 4" x 3"	Weight: 1 lb

TWO PIECE SPINEBOARD STRAP

The Kemp USA two piece spineboard strap is our most popular strap. Made of high quality nylon with extremely durable plastic clips. This two-piece strap has loop ends to attach itself to the spineboard handles. It's very user friendly and durable with plastic clips.

Item # 10-302-BLK	
Color: Black	Dimensions: 72" x 2"
Shipping: 10" x 7" x 3"	Weight: 1 lb

TWO PIECE SPINEBOARD STRAP SEAT BELT BUCKLE WITH METAL CLIP ENDS

Kemp's USA two piece spineboard straps are made of strong nylon webbing. They come with a quick-release push button buckle (automobile-type) and metal swivel speed clip. This two-piece strap is far superior to other straps on the market and can only be used with spineboards with pins. Very user friendly.

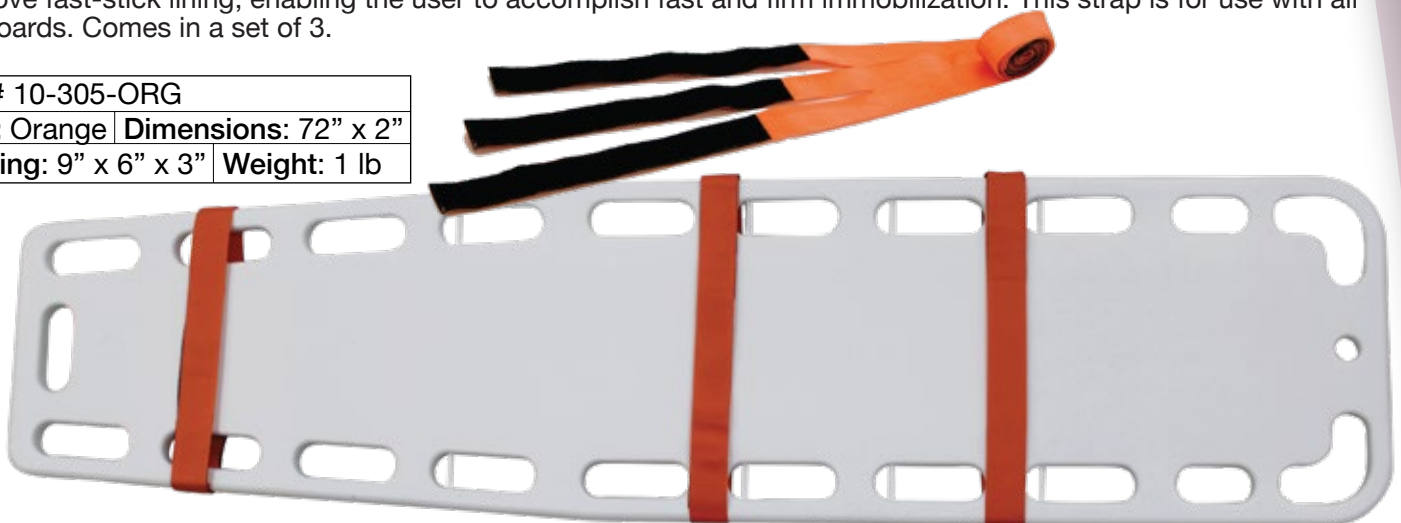

Item # 10-304-ROY	
Color: Blue	Dimensions: 72" x 2"
Shipping: 7" x 5" x 4"	Weight: 1 lb

KEMP USA THREE PIECE HOOK & LOOP SPINEBOARD STRAP

This Kemp USA three piece hook & loop spineboard straps are made of durable nylon webbing covered with an easy to remove fast-stick lining, enabling the user to accomplish fast and firm immobilization. This strap is for use with all spineboards. Comes in a set of 3.

Item # 10-305-ORG	
Color: Orange	Dimensions: 72" x 2"
Shipping: 9" x 6" x 3"	Weight: 1 lb

KEMP USA REFLECTIVE 10-PT STRAPS

The Kemp USA Reflective 10 Point Straps are a favorite among EMS professionals for their functionality. Easy to use single piece straps are made of heavy duty nylon and fasten with hook and loop straps. Comes with a highly visible carrying case for easy storage. The reflective strips along the middle of the straps great for use in dark areas.

Item # 10-307	
Color: Black	Dimensions: 16" x 10"x 2.5"
Shipping: 17" x 11" x 3"	Weight: 2 lbs

COLOR-CODED 10-PT STRAPS

The Kemp USA color-coded 10-pt straps are made of heavy duty nylon and fasten with a hook and loop. A favorite among EMS professionals for their functionality. Color coded for easier use. Holds patient securely and comfortably to spineboard.

Item # 10-308	
Color: Multi	Dimensions: 6" x 19"x 6"
Shipping: 19" x 6" x 6"	Weight: 3 lb

SPINEBOARD MOUNTING BRACKET

The Kemp USA Spineboard mounting bracket is a great space saver and helps to keep spineboards from falling over in windy conditions. The arms that hold the spineboards are 8" apart, making it universal for all spineboards. Includes mounting hardware for fast and easy installation. Good for indoor or outdoor use.

Water Rescue

Kemp USA has everything you need to be equipped for water rescue. We have a great selection of Ring Buoys, Rescue Tubes, Rescue Cans, Throw Lines, Life Vests and more. We can fulfill large volume orders to outfit your entire rescue team and quickly ship from our warehouse facility in Charlotte, NC.

KEMP USA 50" RESCUE TUBE

The 50" tube is the preferred choice of the American Red Cross and the standard rescue tube used by guard training agencies. All Kemp USA Rescue Tubes are made of the highest quality closed cell foam to resist erosion. They are individually hand dipped three times instead of the customary two to ensure proper adhering of the vinyl coating and extend the useful life of the equipment dramatically. Our adjustable shoulder strap and tow line consists of durable nylon webbing and runs through the entire tube. Special pricing for case quantities available.

53" CUT-A-WAY RESCUE TUBE

The cut-a-way rescue tube has unique hand grips to ensure that people with smaller hands can grasp the rescue tube easily. Slightly narrower & longer than our standard rescue tube. Constructed of the same high quality as all of our rescue tubes.

SPLASH 50" RESCUE TUBES

The 50" tube is the preferred choice of the American Red Cross and the standard rescue tube used by guard training agencies. These Splash Rescue Tubes features a unique design with splashing that adds life to your solid colored rescue tubes. It has all the same features and construction quality as our #10-201-RED. These are typically used as a great incentive for Guards.

Terms & Conditions

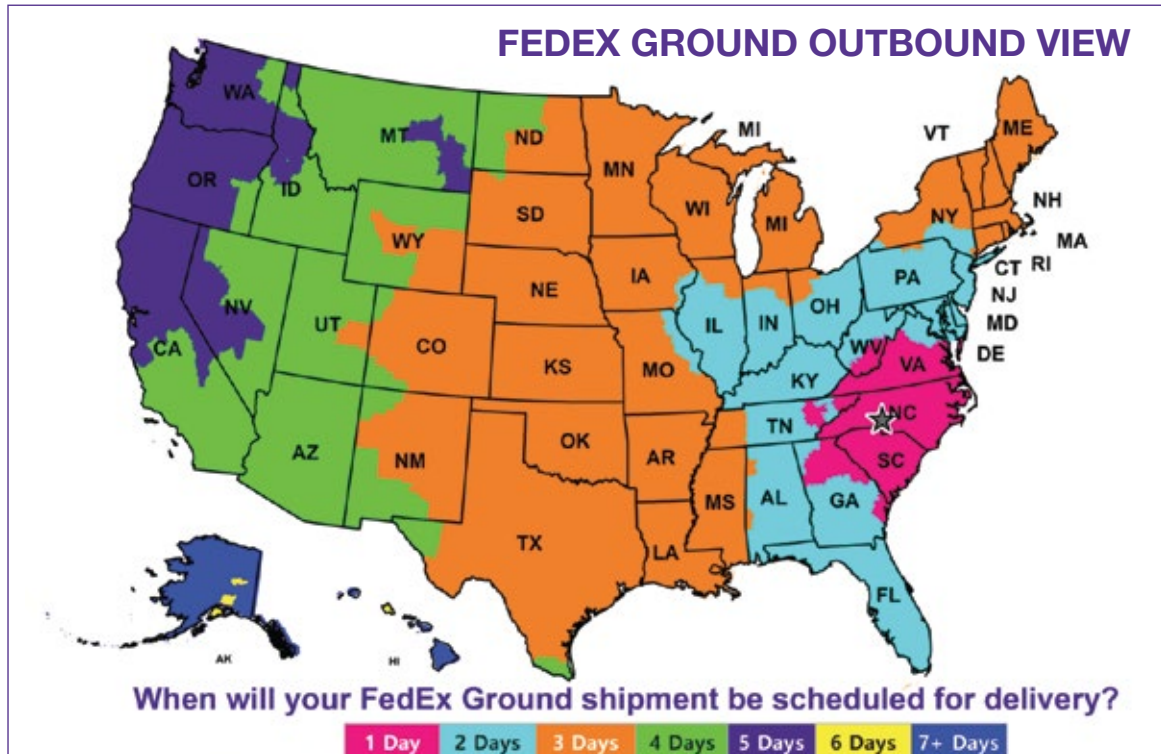

Ordering

Kemp USA is a manufacturer that only accepts orders from registered distributors who resell. To submit an order or become a registered distributor, please email our account management team at sales@kempusa.com. If we do not confirm your order within 48 hours, please contact us to ensure we received it.

Shipping

Our corporate office and warehouse is conveniently located in Charlotte, North Carolina. Typical lead time for order fulfillment is 1-2 business days. If a preferred shipping agent is not specified on the order, then we will use FedEx Ground. Unfortunately, FedEx is unable to fulfill orders in which the destination address contains a post office box or a military installation. As always, Kemp USA does not charge a drop ship fee.

Returns

We understand that our customers have specific needs, and at times, the product just does not work out. Approved returns will be accepted for new, unused, resellable products in the original packaging within 30 days of receipt. Shipping charges will need to be covered at the customer's expense.

Damages & Claims

We make every effort to properly package all orders. Please note that any damage or shortage of product must be reported to our Customer Service department within 5 business days of receipt of shipment. We may request pictures and/or written documentation of the damaged product for claim purposes. The receiver must hold on to the damaged product for carrier inspection or pick up. If receiving a pallet, it is the receiver's responsibility to make sure the driver is not released until all cartons are counted and examined. Please immediately notify the driver of any damage or missing pieces and make sure you receive a copy of the notation.

Warranty

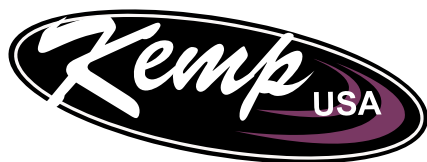

Kemp USA warrants all of our products for one (1) year, from the date of receipt, against manufacturer defects. This limited liability warranty will not cover misuse, abuse, neglect, or normal wear and tear.

Payment Terms & Conditions

All new customers begin on a prepay basis, unless otherwise negotiated. Please remit check payments to:

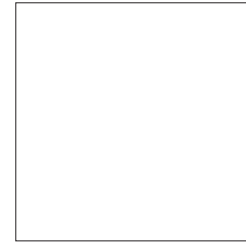

Kemp USA
Accounts Receivable
1900 Bancroft Street
Charlotte, NC 28206

Kemp USA reserves the right to use a third party collection agency to recover payments on accounts that are 30 days or more overdue. Accounts not paid within terms are subject to a 1% monthly finance charge. All images provided by Kemp USA are for the sole purpose of promoting and selling the Kemp USA brand. Any other use of the images provided by Kemp USA will not be authorized and can result in a permanently deactivated account.
