

DD-700-VO

Vascular-OB Combo Display Doppler

Newman Medical offers a full line of Doppler systems with the performance and durability you expect to meet your application - obstetrical or vascular. The **DigiDop 700 Display Digital Doppler** has unique features not found in other Doppler systems such as Digital Sound Clarity (DSC™). Each DigiDop is designed with the sensitivity you need while also designed to be tough and last through years of everyday office use. All our products are **Made in the USA in Colorado**. Each Newman Medical Doppler and probe must pass a series of comprehensive tests to assure quality and the durability of each product.

Features:

- ✦ **3MHz & 8MHz** – Interchangeable obstetrical and vascular probes included
