

ESSENTIALS COLLECTION

FUNDAMENTAL FURNISHING SOLUTIONS FOR HEALTHCARE

## PRACTICAL SOLUTIONS FOR HEALTHCARE SPACES

The Essentials Collection includes caregiver seating, patient privacy, and treatment surface solutions that provide value, durability and comfort.

You depend on your medical furnishings to enable you to provide quality care within an environment that promotes the best overall patient experience. That's why Winco manufactures an array of healthcare furnishing options that can be customized to fit your practice's unique style.

Winco is a proud ISO 13485:2016 certified manufacturer. Additionally, the vast majority of our products are built in the U.S.A. and designed to enhance the patient and caregiver experience!

## TASK SEATING SOLUTIONS TO MATCH YOUR NEEDS

### KEY FEATURES

- WEIGHT CAPACITY: 250 lbs (113 kg)
- SEAT DIAMETER: 16.5" (41.9 cm)
- ADJUSTABLE SEAT-HEIGHT: 17" - 22.25" (Standard & Deluxe models) 23.5" - 33.75" (Tall Models)
- PADDED UPHOLSTERY: Available in your choice of 50+ vinyl colors
- 2" TWIN WHEEL CASTERS or HIGH RESISTANCE (HR) Casters

### TASK STOOLS

**STANDARD: 4300 / 4308 | DELUXE: 4400/4408**

Multi-purpose gas-lift task stools. Standard models feature a high-density plastic base. Deluxe models feature a polished aluminum base. Upgrade any of the above models with an optional foot ring (FR).

### TASK CHAIRS

**STANDARD: 4350 / 4358 | DELUXE: 4450 / 4458 | TALL: 4380 / 4388**

Versatile caregiver seating featuring "one-touch" seat height adjustment and height-adjustable seat backs. The Standard and Tall models each include a high-density plastic base. The Deluxe models include a polished aluminum base. Our Tall model includes provides an additional 11.5" in seat height and includes a foot ring. A foot ring (FR) can also be added to any of the standard or deluxe models.

### HIGH RESISTANCE CASTERS

HR Casters allow free chair movement when weighted or occupied, but resist unnecessary chair movement when unweighted or when exiting the chair. \*HR Casters may not release and roll freely if occupant weighs less than 80lbs.

## SURFACE SOLUTIONS THAT FIT YOUR PRACTICE
